

Institutions Committee Update

Larson house will likely commence in-person meetings again on Monday and Friday evenings at 8:00pm.

Calder meets in-person Tuesday and Friday evenings (except the last Friday of each month) at 8:00 pm.

Welcome Group is not able to return to its previous location so finding a new space is in the works.

We are seeking groups to take Calder and Larson House for 1- month commitments. Please reach out to Cristin W. if your group is able to take one of the upcoming months--so we can schedule in advance.
