

Volunteering for Service Positions Desperately Needs Your Attention:

Hello to the Saskatoon & District fellowship of AA:

My name is Ron and I am an alcoholic. I am also the current Chair for Central Office.

It has been an honour and a privilege to be one of your trusted servants as I have experienced my journey through various Intergroup and Central Office service positions over the past seven years. I have learned so much more about how AA works and how important it is to ensure that AA remains healthy and available to help the alcoholic that still suffers.

I am forever grateful to my Higher Power and to all the trusted servants who have come before me in keeping this legacy alive and well here in Saskatoon.

In the spirit of rotation and for the continued health and growth of our fellowship I will be rotating out of this position at the end of the year. However, I have not yet been successful in finding an alternate chairperson willing to step in to prepare and allow their name to stand for this position come fall elections.

There are several volunteer positions at Central Office that will require to be filled this fall as we rotate out: Chair, Treasurer, Literature, Public Information, Cooperation with the Professional Community, Corrections, and Institutions.

An excellent Intergroup/Central Office Handbook is available by contacting Celine at Central Office. It is available in both electronic and hardcopy form and describes all service positions for Saskatoon & District Intergroup and Central Office and the responsibilities each of these positions have.

PLEASE NOTE: If these positions do not get filled, the ongoing service work in these areas will come to an end. Please let us not see this happen in Saskatoon for any of these areas next year.

Please contact me or the existing trustee if you have the ability and willingness to consider serving the fellowship in any of these positions. Elections will be held this Fall, so we require people to step up now and prepare for this journey.

It has been an extremely difficult time for all of us over these past two years dealing with the Covid pandemic at the same time as we continue to work on our sobriety and spiritual growth through the program of Alcoholics Anonymous. The Fellowship needs you now more than ever to step up and continue the work of AA.

Our responsibility pledge reminds us that..."**I am responsible...when anyone, anywhere reaches out for help, I want the hand of AA always to be there. And for that I am responsible.**"

Yours in Service,
Ron M.
